Cost:

\$1000 per team (\$250 x 4 players)

Must be paid in full upon registration with COCC. Team Captain name must be also be registered with COCC to confirm participation.

Additional team members can be added as they are confirmed.

Weekly Schedule and Tee Times:

Tee times will be between 4:00 - 6:10pm every week. There is no shotgun start. Teams will play **at different times** each week.

- The tee times for kickoff on May 7th will be emailed to the team captains **on April 30th**.
- The remaining tee time schedule will be emailed to all captains **by May 8th**.

Please be on time for your tee time. If you miss your time, you'll have to play the FINAL time slot (6:30pm)

Play will take place in the rain or shine, please be prepared.

Roster:

Teams are groups of four players. **ALL** players must sign the official roster with the appropriate information/waiver requested prior to any tee off.

- Roster forms will be provided via email to the Team Captain. It is the responsibility of the Team Captain to obtain team member information required and provide it to Community Education no later than April 23, 2026.
- Teams may substitute players on any given week as we want teams to play as a foursome. Any added player needs to sign the official roster and waivers before playing.

Expectations:

Team captains are responsible for getting all information to their team members. Captains are responsible for their player's actions while at River's Edge. Proper golf etiquette must always be followed and failure to do so may result in the player or team being disqualified from the league. Please follow all course rules.

No outside alcohol is permitted on the course. If you sneak alcohol on the course, you will be asked to leave and you will no longer be permitted to play in the league. River's Edge has a liquor license and will not tolerate any behavior that puts their guests or their licensing at risk. Alcohol is available at the bar located in the Clubhouse.

Game Format:

4-person scramble (ALL weeks)

Your team must use at least 2 drives off the tee of each player per 9 holes played. A team of four players tee off with the best ball in each series of shots being selected, including the putt. All lies may be improved (1 club length) except in a bunker, no closer to the hole. In case a bunker lie is chosen as the best ball, the player who hits their ball into the trap will hit first with the usual rules being considered. The other three players will drop a ball in the approximate vicinity of the first players' ball position. When the best putt is selected, each player shall putt. Should the 1st, 2nd, or 3rd putter not hole out and by force of habit tap their next putt into the hole, the remaining putter shall not putt, as the hole shall be considered completed. In other words, if a putt is missed, mark the ball until all have putted. **Maximum score is double bogey on each hole.**

ALL OBs are considered lateral hazards, if a team chooses to play a ball that was hit out of bounds, they must drop a ball where the original shot crossed into the hazard and add a stroke to their score. (Example 1st ball hit OB, drop where the ball crossed into the hazard, you are now hitting your 3rd shot).

Team Scoring and Contest:

Teams will be handicapped after the first week of the season in an effort to give all teams a chance to be competitive. Handicaps will be established from the teams score in relationship to par and will change from week to week.

Each week one par 3 hole will be designated as the **K.P. hole.** The player who hits his/her first tee shot closest to or in the hole will be declared the winner. ***The ball must come to rest on the putting surface.***

Each week one hole will be designated as the **Long Drive hole.** The player who hits his/her drive the furthest off the tee and **into the fairway** will be declared the winner. Female players will play from the women's tees for all games and contest. Both men's and women's long drive contest maybe be offered.

Each week one hole will be designated as the **Long Putt hole.** The player who makes the longest putt on that hole will be declared the winner. The ball must be putted from the putting surface.

GOLF CARTS are available to rent on a weekly basis for \$20/cart

IMPORTANT: Turn in your team's scorecard in the clubhouse after each round!

Team standings will be available each Friday via email or the following week at the course.

“League Championship” point system is determined with a point / handicap system:

Weekly Team Winner	40 points
2 nd place	33 points
3 rd place	27 points
4 th place	22 points
5 th place	18 points
6 th place	15 points
7 th place	13 points
8 th place	12 points
9 th place	10 points
10 th + place	7 points

If teams end the weekly competition with the same score, all Teams will be awarded the highest place point total.

In the event of a tie at the end of the season for the season title, all teams involved in the tie will be involved in a coin flip for the title.

No prizes are awarded, but the competition is intended to be lively, the sportsmanship strong, and the camaraderie plentiful.
