

Spring 2026

Tobacco Treatment

Specialist Training (TTS)

About the course:

This course will give providers the motivation, knowledge, and skills to integrate tobacco treatment into their current practices, and to become tobacco prevention and treatment advocates.

The KU Tobacco Treatment Specialist (KU TTS) training is an online training that will require approximately 14-18 hours to complete and will conclude with 8 hours of virtual skills training.

February 9 - April 27, 2026
