

Color Theory for Floral Design

Material List for the First Session

Materials You Will Need

- 1 color wheel — available on Amazon
- Floral clippers
- 3 small vases or containers

Flowers for Our First Session

Please purchase flowers in each of the following colors:

Red • Orange • Yellow • Blue/Violet • Green • White

Choose **3–4 flowers in each color**. The type of flower is not important—the **color is what matters**.

Tip: Trader Joe's usually has a good selection of flowers at reasonable prices.

Suggested Flowers by Color

<i>Color</i>	<i>Flower Suggestions</i>
Orange	Gerbera daisy, tulip, lily, marigold, rose
Blue / Violet	Lisianthus, stock, statice, hyacinth, delphinium, iris
Green	Button mums, spider chrysanthemum, green dianthus
Yellow	Rose, solidago, tulip, mum, yarrow
Red	Rose, tulip, carnation, alstroemeria, celosia
White	Alstroemeria, rose, carnation, mum

Flower Selection Tip

Don't worry about the type of flower. For this exercise, the color is what important!
