

2022, 2023 Colored Pencil Materials List

Basic Drawing Supplies from Drawing 1 & 2, (Don't need the helping hands for CP 1)
2 White Foam Core Board: 11 x 14 (used as a backing board for drawing in class and transporting artwork.)
New, unused kneaded eraser

Circle Template: (largest size on template about 2" is fine)

Value Scale: (called Gray Scale & Value Finder, made by The Color Wheel Company)

Portable, battery operated pencil sharpener with spiral blade or hand cranked clutch sharpener:
Recommended brands are ImiKas electric which is available through Amazon. For the hand cranked clutch sharpener available through Muji. The Repesco 64 is also good but a bit expensive. Up to you.

2 pads of Paper:

1 pad of Strathmore 500 Series Bristol Vellum, **or** the Stonehenge Bristol Vellum Surface from Drawing 1 as well as your tracing paper.

Also, 1 pad of Strathmore Series 300 Bristol Vellum. 9 x 12 pad.

Color Pencils:

We will working with Faber Castell Polychromos color pencils, several Prismacolor Premier Color pencils and a set of Prismacolor Verithin pencils as listed below. It is recommended that instead of purchasing a set of FaberCastell Pencils, you purchase open stock, as many of the colors in the sets are not useful for botanical art.

*please remove all adhesive labels from pencils before sharpening as they will clog the sharpener and for the Prismacolors, sharpen the end opposite the pencil number/color name so when it wears down you'll be able to identify it.

Purchase the following Faber Castell Polychromos Color Pencils:
