Nail Care Summer Camp gives teens a fun, hands-on introduction to the world of nail artistry and professional nail care. Students will learn essential safety and sanitation practices while practicing dry manicure techniques and developing their nail polish application skills. Students will also explore creative nail art and design, allowing them to express their style while learning the basics of professional nail services.

This interactive camp helps teens build confidence, creativity, and foundational skills used in the nail care and beauty industry. Lunch is provided. Due to the large number of participants, we are unfortunately unable to accommodate individual food allergy or dietary requests. Participants with specific dietary needs may wish to bring their own food to ensure their requirements are met.
