The “Crazy Hot” Culinary Summer Camp is a three-day, hands-on summer camp designed to introduce students to professional kitchen skills, safety, and culinary creativity. Over three mornings, students will transition from basic safety to preparing complete, restaurant-style dishes. This program offers a high-interest, career-exploration experience in a collaborative, fast-paced environment. Master essential knife skills, proper sanitation, and safe stovetop/oven operation. Learn the art of mise en place (preparation) and recipe reading. Apply techniques in a real commercial kitchen atmosphere. Foster communication skills through collaborative cooking.

Closed toe shoes are required. Lunch is provided. Due to the large number of participants, we are unfortunately unable to accommodate individual food allergy or dietary requests. Participants with specific dietary needs may wish to bring their own food to ensure their requirements are met.
