Cosmetology Summer Camp introduces teens to the exciting world of beauty and entrepreneurship through engaging, hands-on activities. Students will learn the importance of proper sanitation practices, develop foundational hair braiding techniques, and explore how beauty professionals promote and market their services.

This interactive experience allows students to express their creativity, build confidence, and gain insight into both the artistic and business sides of the cosmetology industry. Lunch is provided. Due to the large number of participants, we are unfortunately unable to accommodate individual food allergy or dietary requests. Participants with specific dietary needs may wish to bring their own food to ensure their requirements are met.
