Skincare is Self-Care Camp introduces teens to healthy skincare and natural beauty techniques through fun, hands-on activities. Students will participate in a self-facial day where they learn gentle cleansing, light exfoliation, facial mask application, moisturizing, and sunscreen use with age-appropriate products. Students will also enjoy a natural makeup day, learning how to apply light, everyday makeup such as CC cream, neutral eyeshadow, mascara, blush, and lip gloss to enhance their natural look.

Throughout the camp, students will learn the importance of proper sanitation, product knowledge, and self-care while building confidence in a safe and supportive environment. Lunch is provided. Due to the large number of participants, we are unfortunately unable to accommodate individual food allergy or dietary requests. Participants with specific dietary needs may wish to bring their own food to ensure their requirements are met.
