

2026 Early Childhood Care and Education Conference

Belonging Begins Here!

November 7, 2026

Umpqua Community College

Greetings:

Umpqua Community College, in collaboration with the South-Central Early Learning Hub, is gearing up to host the annual Early Childhood Care and Education Conference on November 7, 2026. This year, the focus will be on Every Child Belonging. Your support for this remarkable event is highly valued, as it will bring together over 100 early childhood professionals, teachers, educators, parents, and community members.

Quality early childhood care professions play a significant role in the local economy. Every business is impacted by the demand for childcare. Establishing high-quality childcare settings creates secure environments for children to thrive, encouraging socialization, physical development, and learning. Elevating the training and educational levels of providers, parents, or grandparents is an effective strategy to enhance childcare quality. We invite you to back this essential conference to ensure top-notch, local, and affordable education for those working with young children.

There are three ways to participate:

- **Become an Event or Session Sponsor.** Details of sponsorship levels and recognition are listed on the attached sheet. As a sponsor, your organization will be referenced in promotional materials at the event. Sponsors also receive an exhibitor table to visit with attendees.
- **Promote your Services or Products at an Exhibitor Table.** This is a fantastic way to provide visibility for your business or organization to 100+ attendees. Exhibitors will have access to attendees on Friday evening and all-day Saturday.
- **Provide a Door Prize.** Door prizes will be awarded throughout the day on Saturday. Contributors will be highlighted in conference materials and donors announced during the give-away time.

We are confident you will find this a worthwhile community conference in which to invest and participate, and we would be happy to answer any questions you may have. Thank you for your willingness to support the educational needs of Early Childhood Providers and Parents/Grandparents in Douglas County.

Please feel free to contact me with any questions.
