Registration Instructions

Do you have more than one child attending the same camp? Read through these step-by-step instructions on how to register multiple people for the same camp at the same time.

1. Click the 'REGISTER' button found at the bottom of the registration page.

2. Click the 'SIGN IN' button.

3. Sign into your existing Shopping Cart account with your email address and password, OR click the 'CREATE PROFILE' button to create an account.
Click the 'ADD ANOTHER PARTICIPANT' button.

Fill out the required fields on the form with your camper's information and click the 'SUBMIT' button on the bottom of the page.

Remove your name from the 'Student/Participant List' by clicking on the red X next to your name. You may also have to remove your name if it appears underneath the camp dates.

Repeat step 4 to add more children to the camp. Your total will auto-calculate as you add campers. When you are finished, click the 'CHECKOUT' button.
