

# 32<sup>ND</sup> ANNUAL MATERNAL CHILD NURSING SYMPOSIUM

Friday, October 21, 2022  
Virtual Seminar

# DESCRIPTION

Each year, the Maternal Child Nursing Symposium seeks to expand our knowledge in women's, infant's and children's health care. This one day symposium brings national and local expert faculty to the virtual platform to present on a wide variety of pertinent topics. Dr. Susan Hale and Dr. Jean Salera-Vieira, Senior Leaders at the Association of Women's Health, Obstetric and Neonatal Nursing (AWHONN), will share their expertise in the obstetrical areas, with Ms. Christy Schunn enlightening us on the latest recommendations on Safe Sleep. The presentation on the frightening topic of Amniotic Fluid Embolus will cover treatment and management by Ms. Mallorie Suffield, and Ms. Miranda Klassen, Executive Director of the Amniotic Fluid Embolus Foundation.

# AGENDA & OBJECTIVES

7:50 AM	<b>Welcome and Announcements</b>
8:00 AM	<b>Why is Asking “Why” So Important? Hope Helferich, BSN, RNC-OB, C-EFM  
Symposium Director  
Wesley Medical Center  
Clinical Educator

Beverly Bell, BSN, RN, Clinical Educator  
Committee Member  
Wesley Medical Center

Erica Gean, BSN, RNC-NIC, Clinical Educator  
Committee Member  
Wesley Medical Center

Donna Hatfield, BSN, RN, Clinical Educator  
Committee Member  
Wesley Medical Center

# ACKNOWLEDGEMENTS

Funding for the 32nd Annual Maternal Child Nursing Symposium was originally created through a contribution from the Women's Association at Wesley Medical Center in 1989.

This conference is funded through a grant from the Wichita Medical Research & Education Foundation. Wichita Medical Research and Education's mission is to enhance medical skills and knowledge through education and research.

All symposium accommodations, educational program planning and presentations are being handled by the departments of Clinical Education and Nursing at Wesley Medical Center on behalf of Wichita Medical Research & Education Foundation.
