**Course Description:**

Law Enforcement and First Response Tactical Casualty Care is a 8 hour course designed to teach public safety first responders including police, other law enforcement officers, firefighters and other first responders the basic medical care interventions that will help save an injured responder's life until EMS practitioners

can safely enter a tactical scene. Course participants will learn life-saving medical actions such as bleeding control with a tourniquet, bleeding control with gauze packs or topical hemostatic agents, and opening an airway to allow a casualty to breathe. In addition, care under fire techniques with drag and carry, and tourniquet application practical exercises will be included.

*EMS CEU's are available at no cost. Participants must sign the course roster upon arrival and complete an evaluation to be eligible for the CEU's. Dress should be casual.*

**Instructor:**

Jim LeBaron, Hutchinson Community College

**Fees:** Registration fee for this course is \$50/person. Those participants requesting meals and lodging will be billed \$80 for Double Occupancy or \$95 for Single Occupancy; rates include the registration fee.

**Registration:** To Register, use the form on the back of this flyer, or click on the links below for easy online registration.
