

DEA – KBI Basic Drug Investigator’s Course

The Basic Drug Investigator’s Course is a joint DEA - KBI class, designed for officers and detectives with little or no experience in narcotics enforcement; or those who aspire to conduct more effective and comprehensive drug investigations. This is a 40-hour course, offered twice in the Spring of 2019, in venues geographically designed to accommodate every agency in Kansas. There is no cost for the class. A list of topics and instructors can be found below (subject to change):

Dates: **CLASS #1 – TOPEKA; April 15 – April 19, 2019**
