

# ***Helicopter Landing Zone Training***

Public safety personnel interact with rotary winged aircraft for a number of different agencies and organizations, including law enforcement, firefighting, VIP transport and news media helicopters. This two-hour class will inform students on the following EMS landing zone procedures:

- **HOW TO ACTIVATE**
- **PROVIDING ESSENTIAL INFORMATION**
- **WEATHER**
- **PATIENT STATUS**
- **LANDING ZONE**

**Three sessions to choose from:**

- **Thursday, Mar. 15, 2018**
- **Thursday, Jul. 26, 2018**
- **Thursday, Dec. 6, 2016**

**6:00 PM to 8:00 PM**

**KLETC Main Campus, Classroom #1**
