In addition to your Graphics I tools, we are going to need some additional supplies in Graphics II. You will not need any of the new materials until the second session. Please email me if there are any questions on the list, prior to you purchasing them. I will be going over the list in depth during the first session. The following websites are three good resources to access the needed supplies.

- [www.carpediemstore.com](http://www.carpediemstore.com)
- [www.dickblick.com](http://www.dickblick.com)
- [www.draftingsuppliesdew.com](http://www.draftingsuppliesdew.com)

### **Materials needed:**

- A set of “sketch pens”. There are several types and brands out there. Some brands call them MICRON pens or pigment pens. You should get a kit with at least 4 line widths. (.1mm,.3mm,.5mm,.7mm).
- 2 soft sketch pencils. This can be a 314 drafting pencil, or a 2B.
- Sandpaper block.
- Berol White Pencil.
- White opaque paint marker, fine tip point. A white paint sharpie marker will work. Fine tip point.
- Prismacolor “Nupastel” 27048 Hard Pastel Kit or “Alphacolor” set of 12. Make sure to get greens and blues, etc.
- Prismacolor/Berol set of colored pencils.
- Seth Cole Sketch Tracing Roll (16 lbs) – optional.
- Sheet of Mylar – optional

### **Marker List:**

- Spruce
- Sienna Brown
- Eggshell
- Brick Beige
