

Hi Designers,

Thank you for joining NYBG in our presentation of Contemporary Underwater Floral Styling. Please find below the list of flowers and materials I will be demonstrating Underwater Design. The class is fun and easy to follow with time for question and answer... insuring a beautiful design with your personal touch.

Please contact me at tosullivanfloraldesign@gmail.com with any questions.

See you all soon for our adventure in crafting a vision of nature submerged for Modern Floral Styling.

Cheers,
Trish

Underwater Design

Flowers: The list below is offered as a general guideline. You are the designer... add or substitute as you wish. For Underwater you need a soft, flexible long stem flower.

Container: All Clear Glass containers. I will be using a bubble bowl and 2.5" x 5" rectangle

Underwater list of materials

Flower & Materials sources: Trader Joes, Whole Foods, Michaels, Home Depot

Alternative sources: Costco, supermarkets, farmers markets, gardens

Floral Materials: Your choice of complementary colors

10 stems Tulips: long stemmed

10 stems Mini Calla Lily

Design tools:

Clean glass containers: 6" to 8" bubble bowl or deep round bowl and rectangle with 2.5" to 3" opening, height optional

Thin wire: your choice of color, Home Depot picture frame wire aisle or Michaels

Small Rocks or marbles: washed clean otherwise they cloud the water

Long wooden skewer sticks

Watering can with room temperature water

Cotton rag or paper towel

Container of water to wash tulip stems

Floral clippers, knife, wire cutters and scissor
