**WC Paints:** We will be using watercolor paints in *tubes*. *Paint will make a difference, so good quality is important.* I recommend 2 brands, Winsor and Newton Professional or M Graham.

The tubes come in 5ml and 14ml....either is fine. They are interchangeable; in other words, you can buy some of one brand and some of the other.

I find M. Graham to be superior and more reasonably priced; it is the paint I choose to work with. Up to you. Also, if you plan to take other one-day workshops, which I recommend, these are brands that are used.
