## **THR403 Materials**

Below are some items you'll need to source to participate in activities for the listed class sessions:

### **For your second class:**

4", 5", or 6" pot

Soiless potting mix

1-3 stem cuttings. This works well for woody cuttings but also works well for herbaceous cuttings.

Rooting hormone

Watering setup with saucer

1 gal. plastic bag (not ziplock)

2 stakes

Label

Rubber band (medium size about 1" diameter)
