

New York Botanical Garden

BOT326BL – Forest Ecology

Materials:

1. Notebook to take notes while in the field.
2. Field Clothing and shoes (rain jacket if rain is expected, sneakers are fine, or boots if poor weather).
Water, lunch/snack.

Optional:

1. 10x hand lens
2. Binoculars

Bring these if you have them, but they are not required. Your instructor will bring a few extras to share.
