

NYBG Online: Spring Meadow
Design Instructor: Trish O'Sullivan

Hi Designers,

Thank you for joining NYBG in our presentation of Spring Meadow. Please find below the list of flowering spring bulbs, and botanical materials I will be demonstrating the floral styling of Spring Meadow. The class is fun and easy to follow with time for question and answer... insuring a beautiful design with your personal touch. The tricks and tips of the trade in keep your arrangement fresh and long lasting will be discussed.

Please contact me at tosullivanfloraldesign@gmail.com with any questions.

See you all soon for our adventure in crafting a vision of nature's spring meadows,
Trish

Spring Meadow: The list below is offered as a general guideline. You are the designer... add or substitute as you wish.

Container: There is no limit in choice of container. Use everything & any object as long as it holds water with an opening between 4" to 6" wide. I will be using a white creamware container with a 4" opening. Baskets, wooden and ceramic containers along with watering cans are as just a few options. Check out trishosullivanandesign.com for great ideas in repurposed containers.

The trick of great design is a smaller container opening, personally I use 3" - 4"
