### BIS BUSINESS & INDUSTRY SERVICES

#### Mission

Provide students the opportunity to develop national workplace competencies to fill the needs of business and industry.

Course provides students the skills required to effectively provide CPR (Cardiopulmonary Resuscitation) and use an AED (Automated External Defibrillator). General guidelines for rendering First Aid in various scenarios for different traumas will be reviewed.

- Taught by certified CPR Instructor with years of emergency medical experience
- Taught at an approved *American Heart Association Training Center*
- Critical skills training for those working in hospitality, with youth, or athletics
- Hands-on experience using AED simulator devices and adult/infant CPR manikins
- Participants who successfully complete the course will receive an *American Heart Association CPR, AED, First Aid Provider* course completion card which is valid for two years
